THE PARTHENON, PERFECT
SYMBOL OF THE GREEK WAY-
THE WAY OF FREEDOM
OF THOUGHT

Although you have been at East Windsor High School but two years, Mr. Simisky, you have inspired and guided us in many times of indecision and achievement. In addition to your invaluable classroom instruction, you have provided incentive and encouragement in our personal achievement. For your devotion, understanding, and friendship, we, the Class of 1962, dedicate our yearbook to you.

ARISTOTELIANS

*"Two roads diverged in a wood, and I—I took
the one less traveled by, And that has made all
the difference."*

Robert Frost

In the brief span of years we call a lifetime—
hold to those values which set you apart as an
individual.

The easy road is well traveled by countless
masses who never leave their mark.

Wherever you go, whatever you do, stand
firm, if only once, for what you believe—then
let this become a habit.

SEATED, left to right: Mr. John Bassinger, Mrs. Herbert Whitehouse, Mr. James Welton Jr., Mrs. Torvald Bertinuson, Dr. Fobert.
STANDING, left to right: Mr. Edward Silk, Mr. John Fennessy, Mr. Freeman Patten, Mr. Richard MacKintosh, and Mr. C. Crawford
Brewer.

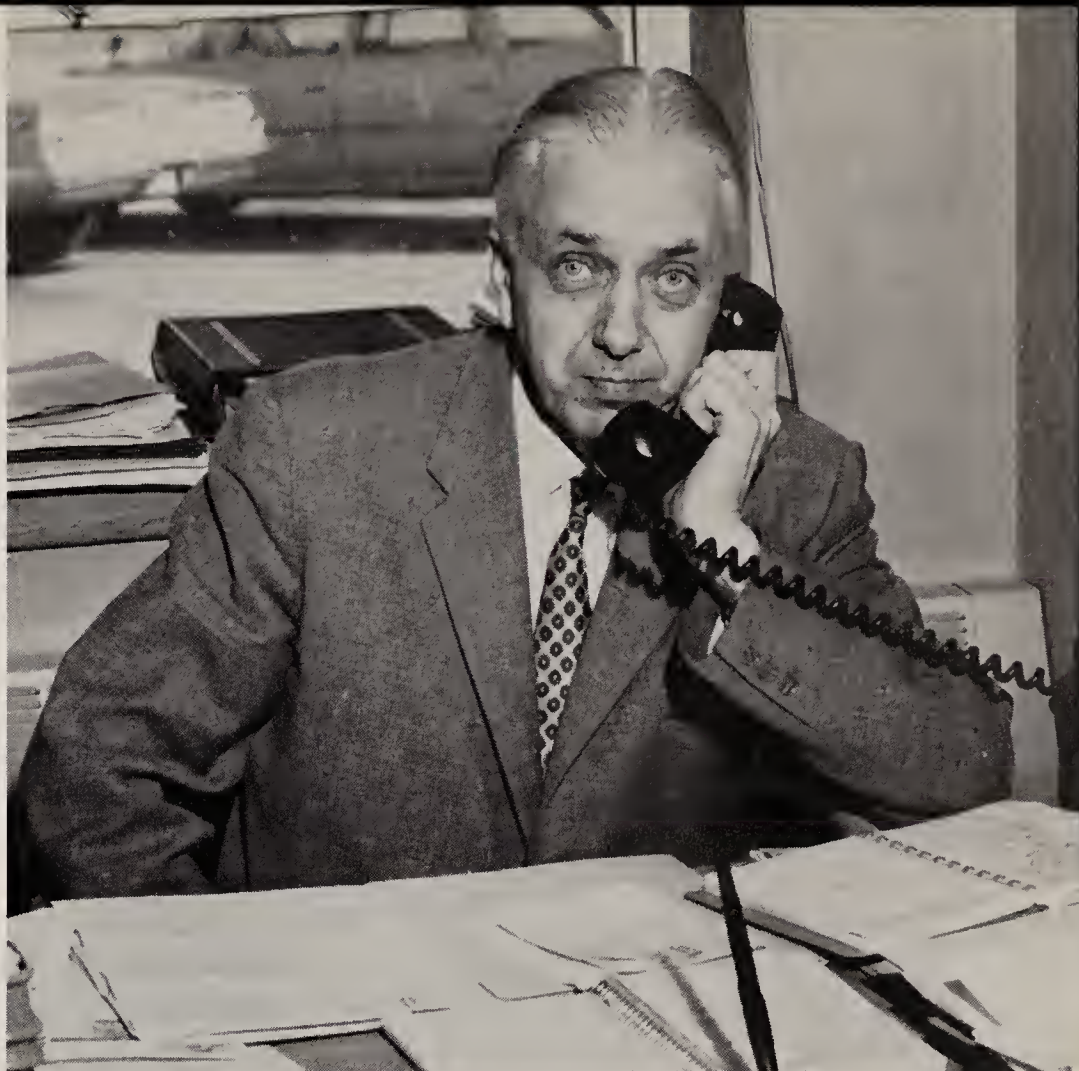

To the Members of the Class of 1962:

Although facing the future is a common daily experience, it becomes particularly significant as you graduate from high school and assume new and even more demanding responsibilities. You need vision, strength of character and integrity, purpose, maturity, stability and knowledge to meet the challenges. Your school has made significant contributions in all these areas, and will continue to make its services and resources available to you.

Our best wishes for your continued success.

George A. Donovan

George A. Donovan, *Principal*

To you, the Class of 1962, I extend the warmest congratulations for a job well done. Your record is one of worthy traditions and of outstanding achievement. You have set high standards to guide the future classes of East Windsor High School.

May the spirit of loyalty and cooperation developed here be with you always in all your endeavors.

Best wishes for happiness and success in the years ahead.

Sincerely,

Leonard J. Tyl

"Rocky"

This year the East Windsor Student body was fortunate to have Rachmat Badruddin as its first foreign exchange student. "Rocky" as he was nicknamed, is from Bandung, Indonesia. Although he expected to see "gangsters and cowboys" ruling the country, Rocky was impressed with the friendly spirit of the people of the United States.
